

**WEST DEVON BOROUGH COUNCIL**  
**Notes to accompany Decision Notices**

**Building Regulations** - This decision is not a decision under the Building Regulations and the applicant should ensure that all necessary approvals for the same proposal and same plans are obtained before commencing any work on the site. See [www.devonbuildingcontrol.gov.uk](http://www.devonbuildingcontrol.gov.uk) for further information.

**Discharge of Conditions** – If your application has been approved with conditions then any pre-commencement conditions must be discharged before work starts. The fee to discharge conditions is per request, not per condition, and it is therefore more cost effective to discharge all conditions at once. Listed Building Consents and Conservation Area Consents are exempt from fees.

**Amending your permission (only applies to planning permissions)** – If you want to change some details of your planning permission and it is a very small change you can apply for a Non Material Amendment. Larger changes may need a Variation of Condition application to amend the plans condition or a new Planning Application.

**Adherence to approved plans/conditions** - Failure to adhere to the details of the approved plans or to comply with the conditions contravenes the Town and Country Planning Act 1990 and enforcement action may be taken.

**Right of Appeal** - further *information about appealing can be found at* [http://www.planningportal.gov.uk/uploads/pins/procedural\\_guide\\_planning\\_appeals.pdf](http://www.planningportal.gov.uk/uploads/pins/procedural_guide_planning_appeals.pdf)

If you are aggrieved by a decision to refuse permission or to grant it subject to conditions you can appeal to the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or online at [www.planningportal.gov.uk/planning/appeals/](http://www.planningportal.gov.uk/planning/appeals/) Appeals must be made on the correct form relating to the type of application you submitted. Information provided as part of the appeal process will be published online. In some circumstances the Planning Inspectorate may refuse to consider an appeal.

**High Court Challenge/Judicial Review**

As there is no third party right of appeal the only route available for an objector to challenge a decision is through the courts. Legal advice should be sought before considering this option.

**Purchase Notices**

If the Local Planning Authority or the Planning Inspectorate refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council requiring them to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

**Disabled Persons**

Where any planning permission granted relates to buildings or premises to which the public are to be admitted (whether on payment or otherwise) or to premises in which persons are employed to work, your attention is drawn to Sections 4, 7 and 8a of the Chronically Sick and Disabled Persons Act, 1970 and to the British Standards Institutions Code of Practice for Access for the Disabled to Buildings.
