Subject: Consultation on 'Your Dartmoor', the Dartmoor National Park Management Plan 2020-2025

#### Dear Parish Clerk.

Consultation on the Dartmoor National Park Management Plan is now open. The 5 year Management Plan is the strategic plan for the National Park – a Plan for all who care about Dartmoor and its future. Although the National Park Authority has prime responsibility for the preparation of the Management Plan, the Plan also needs to actively engage and gain the support of all key stake holders who will assist in its delivery. As such, we are keen to seek the views of all those who live and work on Dartmoor alongside those of our partner organisations and other stakeholders.

For the sake of clarity, this is different to the more recent Local Plan consultation which is focused on Development Management within the National Park. Inevitably, however, the two plans are linked, with the Local Plan playing an important role in supporting some of the outcomes of the Management Plan.

I would be grateful if you could circulate information on this consultation to your councillors and within your community if you have the means to do so. A poster is attached for you to print and display on your parish noticeboards. A hard copy and the plan can be provided on request.

The draft plan can be viewed on our <u>website</u> and is accompanied by an <u>online questionnaire</u> for feedback.

The consultation on the draft Management Plan will run from 10th February to 20th April 2020.

Many thanks,

Alice Tilley
