Dear Consultee

[Adopted Dartmoor Local Plan 2018-2036](#)

At its meeting today the Dartmoor National Park Authority has adopted the new Local Plan. An [Adoption Statement](#) is on our web site, as is the Sustainability Appraisal/Strategic Environmental Assessment Report, and Habitats Regulations Assessment. The Examination of the local plan has closed; the [Inspector's Report](#) is published on our web site along with Inspector's [Schedule of Modifications](#).

This Local Plan is now the basis for planning decisions in the National Park, and the previous development plan (the Core Strategy, Development Management DPD and Minerals Plan) are now deleted.

You can [view the adopted Local Plan on our web site](#). A design/print version will be published early in 2022.

Planning applications which are valid after adoption will be considered against the policies in the new Local Plan. Please do look out for our revised *Validation Checklist* (local list) next month, and *Quick Guides* to a number of topic areas over the coming weeks. We will also be holding *training sessions* for Parish/Town Councils (afternoon of Tuesday 25th Jan) and agents/architects (breakfast meeting Thursday 20th Jan), and will be in touch again with invitations.

Thank to everyone who has engaged in the process and influenced the Local Plan; we look forward to working together to deliver its vision for Dartmoor National Park.

If you have any questions, please do contact us. If you wish to be removed from this mailing list, please do let us know.

Kind regards
Dan
