Temporary diversion paths:

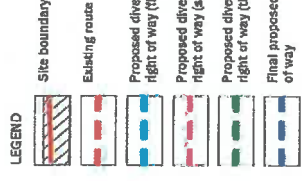

Additional landscaping will be installed in temporary phase one. They will be finished at the end of phase one. If circumstances require, they will be finished at varying stages of construction. For details of the final proposed public right of way, see drawing 1756 A2 10.

Temporary diversion paths:

Temporary roads will be hedges raised along their full length and gated at intervals to follow health and safety guidelines. The existing gaps in the western boundary of the site will be retained. See image below, the other gates or pillars are proposed.

Edges of diversion:

Current length of the existing PkwyW = 482m
 Proposed length of diverted PkwyW (first phase) = 254m
 Proposed length of diverted PkwyW (second phase) = 228m
 Proposed length of diverted PkwyW (third phase) = 206m

For context this drawing should be read in conjunction with LLA drawing 1756 002 Outline Planning Proposals
