Good morning,

Further to my email yesterday, this is to inform you that Devon County Council has made an Order for a 6 month temporary closure of Tavistock Footpath 3. The closure is necessary to enable housing development works to be completed.

Further details and a closure map are available by following the link below:

Good afternoon,

The existing temporary closure of Tavistock Footpath 3 expires on Saturday 2nd October 2021. The developer did not apply for an extension to the closure in time for it to be processed. To protect public safety, the County Council has placed an emergency 21 day closure on the footpath which will be converted to a new six month closure within the coming days.

Further details are on the webpage below:
