40. CONFIRMATION OF MINUTES

RESOLVED THAT The Minutes of the Meeting of the Development Management & Licensing Committee held on Tuesday 11th August, 2020 be confirmed as a correct record and signed by the Chairman (Appendix 1).

41. DECLARATIONS OF INTEREST

The following Declaration of Interest was made;

- Councillor P Ward (Chairman)
Declared an Interest in Planning Application No. 2396/20/LBC – 205 Whitchurch Road, Tavistock by virtue of being the property owner and applicant.

Councillor Ward left the Meeting during the consideration of this application, and the Vice Chairman (Councillor J Ellis) took the Chair during this period.

42. DARTMOOR NATIONAL PARK AUTHORITY (DNPA)

No items received.

43. TOWN PLANNING ISSUES

- a) The update received from Devon County Highways in respect of the adoption of the roundabout at the Callington Road Development Site (Minute No. 463a referred), was considered - (Appendix 2) - Noted
- b) West Devon Borough Council Licensing Policy Consultation (Appendix 3) – The deadline for a response to the Consultation was 16th October 2020, therefore it was agreed to defer the consideration of this matter until the next DM&L Meeting, scheduled for 22nd September 2020. In the meantime, all Members were encouraged to access and review the draft Policy.

44. GENERAL CORRESPONDANCE

No items received.

45. URGENT BUSINESS BROUGHT FORWARD AT THE DISCRETION OF THE CHAIRMAN

The following item was brought forward;

Appeal Start Notification – Erection of detached three-bedroom dormer bungalow with integral garage, external parking, new vehicular access and external works at Land adjacent to Haseley, Butcher Park Hill, Tavistock, Devon (Appendix 4).

Councillor Ms L Crawford Declared an Interest at this point in the Meeting, by virtue of being an allotment holder.

The Chairman confirmed that;

- the site was immediately adjacent to the Town Council's allotments;
- access to the site was required across a track owned by the Town Council, which also provided access to the allotments and a neighbouring property;
- the Local Planning Authority had objected to the application due to the dangers caused in accessing the highway, which not only had a blind corner but was also a very fast road;
- the Town Council was not only a Statutory Consultee, but also the landowner, so any response must make it clear on what basis the response was being given

Reference was made to Buddle Quarry, which was the only remaining quarry able to provide a supply of Hurdwick Stone, which had been used in the construction of the historic buildings in Tavistock town centre. This stone would be required for any future repairs, and if not available this would have a detrimental effect on these historic buildings, and the heritage value of them. Should the development go ahead, the Quarry would not be able to be re-opened for this purpose.

During the ensuing discussion, reference was made to;

- the difficulties allotment holders currently found entering, and exiting, the site due to the dangerous road. Any development would inevitably increase the number of car movements onto the road;
- the potential that allotment plots could be lost if the development required the widening of the access road;
- the difficulties any construction vehicles would have accessing the building site, due to the narrowness of and bends in the track;
- the potential damage which could be caused to the Devon hedge on the left hand side of the track when construction vehicles were entering, and exiting, the site;
- concerns were raised that if this development was granted permission, it could encourage others to submit further planning applications for development on adjacent land

Noted That - the Chairman undertook to draft a document, on behalf of Tavistock Town Council, to be submitted to the Planning Inspectorate on the basis that Tavistock Town Council stood by its original decision to 'object' to this Planning Application. The document would be brought to the next DM&L Meeting for the consideration of the Committee.

46. PLANNING DECISIONS and APPLICATIONS

a) Planning Decisions

Planning Decisions by West Devon Borough Council attached at Appendix A. (Appendix 5)

b) NEW Planning Applications

New Planning Applications to West Devon Borough Council. The views of the Committee are attached at Appendix B. RECOMMENDED THAT the views of the Town Council, as listed in Appendix B, be passed to the Local Planning Authority for consideration. (Appendix 6)

47. NEXT MEETING

The next Meeting of the Development Management & Licensing Committee to be held on Tuesday 22nd September, 2020 at 5.00pm.
