Pannier Market Report July / August 2019

General Update

- Our Monday openings have now started for the duration of the Summer school holidays, the first one begins on Monday 22nd July and runs through to Monday 26th August inclusive.
- We recently held a meeting between staff representatives and market traders, the emphasis was on positivity, rules and regulations and effective communication. Off the back of this traders have now formed an advertising committee to work on ideas with Council Officers.
- The Royal Visit proved extremely popular from the Pannier Markets perspective, it was a good trading day with a great atmosphere and an all round great day for Tavistock
- We continue to grow our new Instagram page as an additional source of free marketing and promotion, you can follow our page @tavistockpanniermarket

Instagram

- I am looking at making some minor alterations to the alcohol licence for Bedford Square; a slight change to the licence would allow stall holders to make off-sales without the use of a TEN (Temporary Events Notice) Licence.

Best market in Devon

I just love Tavistock market which is open from Tuesday to Saturday and Mondays in August. Lovely homemade and hand crafted products to buy. Also collectables, antiques, jewellery and many more. Would highly recommend a visit to the market if you are ever in Tavistock.

Interesting Market

Tavistock Pannier Market is an interesting place to visit...loads of different kind of crafts and arts and antiques items...I bought a pair of two Japanese and ginger vases in very affordable price, by the way you can do some reasonable haggling with some of the sellers if the price is right.
