Pannier Market Report January/February 2020

General Update

- January & February have been a challenging trading period, we have seen an unprecedented volume of sickness and other issues such as the recent bad weather, with traders also taking their annual allocation of holiday during these quieter months, this has resulted in a tough trading period. On a positive note we have introduced a selection of new day traders into the market and also have four new five day permanent stalls.

Jo James Jewellery

The Baby Emporium

- We continue to grow our new Instagram page as an additional source of free marketing and promotion, you can follow our page @tavistockpanniermarket , We now have 353 followers, our Facebook page now has in excess of 3,000 followers.

A traditional English market of interest for the visitor

Different interesting market stalls every day, presents, clothes, antiques, collectables, books. Spend at least an hour browsing, even longer if buying. Toilet facilities excellent including disabled. Cafes and restaurants, clean and good value.

Designated Premises Supervisor/Licensing

There is only one licensing issue to report through this period, this was bar staff refusing the sale of a full bottle of port to an individual who was already inebriated at the Young Farmers Ball, it then led to the individual attempting to bring his own bottle onto the premises. The incident has been fully documented and filed through our incident report and refusal sheets.
