133. CONFIRMATION OF MINUTES

RESOLVED THAT the Minutes of the Meeting of the Development Management & Licensing Committee held on Tuesday 26th August, 2025 be confirmed as a correct record and signed by the Chairman (Appendix 1).

Noted That-arising from consideration of the foregoing a Member suggested the possibility of consideration, by the Council (perhaps through an informal meeting), of major developments in the Town where planning permission had been granted (or were in process). It was suggested that could enable consideration of any changes as might be considered to the Neighbourhood Development Plan for the Town, with particular regard to the position regarding the Local Plan and 5 year land supply. During the ensuing discussion, reference was made, in particular to:

- A lack of clarity around what such a meeting might achieve. Should the matter proceed it was important that the DM&L Committee should clearly understand what was proposed, the resource, policy and other implications, before recommending any course of action;
- That, should the Council wish to progress the idea, a sounding would need to be taken from the Local Planning Authority (LPA) and also the benefits of having an Officer from the LPA in attendance, if such a meeting took place. Similarly, if the Neighbourhood Development Plan (NDP) was going to be referred to during any such meeting, that members of the NDP Steering Group should also be invited to attend;

- that if a meeting were to be arranged, an item would appropriately need to be tabled beforehand on the next Development & Licensing Committee Meeting Agenda.

There would be an opportunity at the Council Meeting to take a sounding, should it wish to provide a 'steer' as to how/if it wished the Committee to consider the matter further at the next DM&L Meeting.

134. DECLARATIONS OF INTEREST

Councillor G Parker (Vice Chairman) Declared a 'Personal' Interest in Planning Application No. 2517/25/FUL, and left the Meeting during the consideration of this matter.
