

**MINUTES** of the Meeting of the **DEVELOPMENT MANAGEMENT & LICENSING COMMITTEE** held at the **Council Chamber, Drake Road, Tavistock** on **TUESDAY 27<sup>th</sup> JANUARY, 2026** at **6.50pm**.

**PRESENT**

Councillor B Smith  
Councillor G Parker

**Chairman**  
**Vice Chairman**

Councillor S Hipsey

**Mayor ex officio**

Councillors A Lewis , N Martin and A Venning

Ward Members: Councillors Ms M Ewings, J Moody and P Ward

**IN ATTENDANCE**

Office & Finance Manager and Administrative Democratic Support Officer  
Assistant to the Town Clerk (for presentation only)

Members of the public

**6:00pm** – Prior to the commencement of the Meeting there was an opportunity to receive a presentation from Grass Roots Planning Ltd and Land Value Alliances LLP, in respect of a proposed major development on Violet Lane, Tavistock – all Members of Council had been invited to attend.

**280. APOLOGIES FOR ABSENCE**

Apologies for Absence had been received from Councillors Mrs J Hughes and Mrs A Johnson **Deputy Mayor ex officio**.

**281. CONFIRMATION OF MINUTES**

RESOLVED THAT the Minutes of the Meeting of the Development Management & Licensing Committee held on Monday 5<sup>th</sup> January, 2026 be confirmed as a correct record and signed by the Chairman (Appendix 1).

**282. DECLARATIONS OF INTEREST**

The following Declaration of Interest was made; Councillor B Smith in respect of Minute No 289(b) High Trees 8 Downlea, PL19 9AW- P/A 0103/26/TPO by virtue of the property being within sight of his own property.

**283. DARTMOOR NATIONAL PARK AUTHORITY (DNPA)**

No items received.

**284. TOWN PLANNING ISSUES**

a) Cornerstone proposed an upgrade to the Base Station at Neathern Brock, Kilworthy Road, Tavistock, PL19 0JL (NGRs: E 248166 / N 074847) this was considered and Members 'supported' the proposal. (Appendix 2)

## **285. NATIONAL PLANNING POLICY FRAMEWORK**

The Committee considered the Government Consultation on the National Planning Policy Framework, proposed reforms and other changes to the planning system.

In the following discussion reference was made to the potential significance of the changes and timeline for response, arising from which a Member of the Committee and a Ward Member undertook to summarise the content of the consultation, with particular regard to:

- a) Planning Structure, Neighbourhood Development Plan;
- b) Housing Supply;

for circulation to the next meeting of the Committee.

## **286. GENERAL CORRESPONDENCE**

No items received.

## **287. URGENT BUSINESS BROUGHT FORWARD AT THE DISCRETION OF THE CHAIRMAN**

No items brought forward.

## **288. PLANNING APPLICATIONS**

### **a) Planning Decisions**

Planning Decisions reached by West Devon Borough Council were attached at Appendix A (Appendix 3).

### **b) NEW Planning Applications**

New Planning Applications to West Devon Borough Council.

In the ensuing discussion on the views of the Town Council, as listed in Appendix B, be passed to the Local Planning Authority for consideration (Appendix 4), except for Planning Application 3771/25/OPA (proposed 120 houses on Callington Road), during the ensuing, reference was made to;

- The principle of development outside the settlement boundary referencing Joint Local Plan (JLP) Policies SPT1, SPT2 and TTV1, which place significant weight on Neighbourhood Plans in shaping growth in main towns;
- The scale of development and cumulative growth, referencing JLP Policy TTV2, which requires growth to be balanced and appropriate to the settlement;

- The landscape character and settlement edge. The Planning Application would conflict with JLP Policy DEV23 (Landscape characters) and SPT1(3);
- The Highways capacity and sustainable movement. Callington Road already experienced congestion and safety issues and this conflicted with Tavistock Neighbourhood Plan (TNP) Transport and Accessibility policies, and with JLP Policies SPT2 and DEV29, which require development to be genuinely accessible by sustainable modes, not merely mitigated through future measures;
- The TNP supported strong, clear action on the climate emergency—especially for greenfield developments—the submitted material only partly met this expectation. It relied too much on future details and conditions, which conflicted with TNP sustainability goals and JLP Policies DEV32 and DEV33 that require large developments to demonstrate clear, upfront carbon reduction rather than delayed or minimal measures;
- The TNP prioritised protecting local biodiversity and green infrastructure by avoiding harm rather than compensating for it. Although mitigation and biodiversity net gain was proposed, the reliance on off-site measures and financial mitigation under the shadow Habitats Regulations Assessment (HRA) showed remaining impacts that conflict with TNP biodiversity objectives and JLP Policies DEV36 and SPT14, especially due to cumulative effects on European sites;
- Loss of agricultural land and rural setting conflicted with TNP objectives to retain the rural character setting of Tavistock, especially at settlement edges. This aligned with JLP Policy SPT1(3)(i)

#### RESOLVED THAT

- a) The Town Clerk be requested to write to the Chief Legal Officer of West Devon Council seeking clarification of the lawfulness or otherwise of paragraph 11.46 of the JLP Supplementary Planning Document;
- b) The application be considered further at the Development Management & Licencing Committee Meeting of February 17th, following the clarification sought above, if available;
- c) At the Meeting on February 17th the Committee consider any further information that had come to light, along with the infrastructure requirements that the Town Council would expect to be met by this and other similar/major developments in the Tavistock area.

#### RECOMMENDED THAT

- a) The Council endorse the comments of Transition Tavistock but, in view of the potential impact on the World Heritage Town, also request that the Highway Authority give further consideration to:

- i. The cumulative impact on Tavistock's highway network of this development, together with the remaining 350 homes at the Tors and developments at New Launceston Road, Butcher Park Hill, Violet Lane and Plymouth Road – along with any other developments which had come forward prior to the determination of the application;
  - ii. The cumulative impact being assessed against a 'With railway' scenario and a 'No railway' scenario;
  - iii. The creation of a traffic model for Tavistock, with developer financial input, to enable developments such as this to be assessed both individually and cumulatively
- b) Concern be expressed about the apparent inclusion of privately owned land outside the red line to carry out works that the landowner expressly opposed;
- c) The Town Council write to:
- i. The World Heritage Partnership, asking the Partnership to consider the application and the wider impact of cumulative growth along with the initial views of the Town Council;
  - ii. The Member of Parliament, asking him to raise the matter with the appropriate Minister.

Noted That Ward Members: Councillors Ms M Ewings, J Moody and P Ward left after Planning Application 3771/25/OPA was discussed.

## **289. NEXT MEETING**

The next Meeting of the Development Management & Licensing Committee would be held on Tuesday 17<sup>th</sup> February, 2026 at 6.30pm in the Council Chamber, Drake Road, Tavistock.

The Meeting closed at 8.15pm.

Signed:

Dated:  
CHAIRMAN
