**Subject:** Application to Name and Number a New st (ref: <413321>)

Dear All

**Application to Name and Number a New St - Ref: 413321**

The attached map shows the location of a new development off Parkwood Road in Tavistock.

*The street naming process:*

This is a statutory function of the Council and the legal procedure is governed by clauses in the Public Health Act of 1925 as follows:

- The developer of the site proposes a name initially.

- The local Ward Member(s), Parish or Town Council and the Royal Mail are consulted, in the form of this letter.
- Any objections to the developer's name must be fully substantiated and made within a strict time-scale.
- If objections are received, the appropriate Council Committee will be responsible for considering any viable alternative names arising from the consultation, and deciding which name is to be approved.
- The developer has a right of appeal to the Magistrates Court against a Council objection to his preferred name and the Magistrates will make the final decision if there is failure to agree at an earlier stage.
- A process that goes to appeal will result in additional cost to the Council and delay for new residents.

The developer has proposed the following names for the development: -

**Trendle Gardens**  
**or**  
**Mount Trendle Gardens**

If no response to this letter is received by 24<sup>th</sup> January 2018 it will be assumed that you have no objections to the developer's proposed names being adopted by the Council. If you have a preference for either name, please also let us know.

Yours sincerely

Street Naming and Numbering Team
