1	The Council, or nominated committee, has reviewed and approved any changes to staff rates of pay, or terms of conditions, made during the financial year.	<i>The Council has a formal organisation chart, however there is no formal document which sets out the rates of pay / Spinal Column Point range associated with each of these positions.</i>	The Council to establish as formal organisation chart which sets out the salary ranges applicable to each position. This should be subject to review each year as part of the budget process.	Medium	An annotated and anonymised structure chart will be put in place. More generally this information is currently held in a more detailed form with all posts identified, grades, rates of pay and related costs etc which is reviewed annually and incorporated as part of the annual budget setting process. Note: the grading of posts is set through an independent job evaluation process.
2	The Council has in a place a process for the review and approval of overtime or Time In Lieu	<i>The Council does not have in a place a process for the review and approval of overtime or Time In Lieu.</i>	The Council to put in place a process for the formal review and approval of overtime. This should include a specific arrangement to confirm, in writing, whether overtime is to be paid or taken as time in lieu.	High	The Council identifies toll incurred on leave cards, overtime is subject to manager authorisation and budget and recorded through the payroll system. Arrangements will be put in hand for additional recording outside of payroll.

I Periodic bank account reconciliations were properly carried out during the year.

1	Year End Cash balances have been subject to independent confirmation	<i>Year End Cash balances have not been subject to independent confirmation</i>	The Council should ensure that, in future, year end cash balances are subject to independent confirmation.	Medium	This refers to petty cash. It is good practice for Fund Holders to certify Funds under their control at each year end, this was also raised by DCK Beavers during their visit. Recommendation accepted in full

J Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or Income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

1	Audit Extended Trial Balance agrees to draft Accounting Statements	<i>It was noted that the income value recorded in the Omega system did not agree to the Box 3 value stated in the Statutory Accounting Statements (there was a difference of some £157,000). This was due to journal entries passed by the Councils external accountant during the preparation of his financial report.</i>	The Council should ensure that its Omega accounting system agrees to the values stated in the statutory Accounting Statements.	High	See DCK Beavers email of 15th June. In summary the information submitted to the external auditor identifies FRSSE adjustments in accordance with accepted accounting practices.

Explanation of "Not Covered" responses

Further to our Internal Audit of your Council for the financial year 2021/22 I am pleased to submit the signed Internal Report for your Annual Return. We have completed our work and I can confirm that we have not given a Negative response for any of the Internal Control Objectives.

You will note that we have given 'Not Covered' responses in respect of Control Objective K, L and O and we are required to explain why we have done this.

- *The reason for the "Not Covered" response for Objective K is that it is not applicable to your Council as the Council did not certify itself exempt from limited assurance review in 2020/21.*
- *The reason for the Not Covered response for Objective L is that it is not applicable to your Council as your 'annual turnover' exceeds £25,000.*
- *The reason for the Not Covered response for Objective O as it is our understanding that the Council does not act as Trustee.*

The External Auditor may query why we have responded 'Not Covered' and, if so, you should provide them with a copy of this letter.

Yours sincerely,

Kevin Rose ACMA
Director
